

Free Lifetime Work Surface Guarantee...

At Affordable Granite and Marble we firmly believe we offer the best quality materials, processing and installation services for granite and quartz work surfaces. To back this we are more than happy to offer a lifetime guarantee on our surfaces.

As you will appreciate we cannot guarantee against every eventuality so our guarantees are subject to certain terms and conditions and exclusions set out below. Please read them carefully as action or inaction on your part may invalidate our guarantee. We do not purport to limit your statutory rights in any way if you are a consumer. Our guarantee is only applicable in the UK

Our work surfaces are made of natural materials in the main and, as with all natural materials, there can be inconsistencies, for example, veining and pot marks. Therefore these are not deemed to be a derogation from our responsibility to provide you a quality product and service. Similarly, differences in the colour or thickness of any particular worktop shall not be treated as a breach of our guarantee or other statutory obligations.

Please ensure you keep copies of all sales invoices as proof of purchase and date purchased as your guarantee is invalid without these.

What is covered by Our Free Lifetime Guarantee on Work Surfaces?

Our guarantee covers the material structure of your granite and/or quartz work surfaces on the following terms.

We will refund you or cover the following percentages of the cost of the materials and labour of the work surfaces and installation as follows:

Full Years From Purchase	% of Value of Work Surface Materials	% of Cost of Remedial Fitting of all Work Surface Materials
1	100	100
3	75	50
6	50	25
10+	25	0

At our discretion, we may repair or replace in part or whole or offer you the appropriate guarantee value in cash in respect of any work surface which is covered by our guarantee if the claim under our guarantee is justified in our reasonable opinion. If replacement material is offered by us, but identical materials are no longer available, we reserve the right to replace the work surface with the nearest equivalent.

Our guarantee is strictly subject to you notifying us before any measures are undertaken to rectify the problem by yourselves or any other third party.

What is not covered

Our guarantee does not cover defects or damage arising in respect of, or will be deemed void in the event of:

General limitations

Neither we nor any of our third party suppliers make any warranty of any kind whether express or implied with respect to the work surfaces, nor installation except as provided herein.
